RSVP Facts

Retired Senior Volunteer Program (RSVP) was established in 1971 and now is one of the largest senior volunteer organizations in the nation, RSVP engages more than 296,000 people age 55 and older in a diverse range of volunteer activities. Volunteers tutor/mentor children, assist victims of natural disasters, provide independent living services, recruit and manage other volunteers, and serve their communities in many other ways. RSVP volunteers choose how, where, and how often they want to serve, with commitments ranging from a few hours to 40 hours per week.

Eligibility is open to all people age 55 and over.

BENEFIT of VOLUNTEERING & SERVICE

Perhaps the first and biggest benefit people get from volunteering and service is the satisfaction of incorporating service into their lives, and making a difference in their community and country. The intangible benefits alone—such as pride, satisfaction, and accomplishment are worthwhile reasons many Americans participate in service. Added benefits with SEICAA's RSVP Program annual Recognition Banquet, Mileage Reimbursement and Supplemental Insurance.

What is RSVP

The Retired Senior Volunteer Program (**RSVP**) is a National Service Senior Corps organization with a network of volunteers over 55 wanting to make a difference in their community.

Volunteering is a great place to put your ideas and skills to work or learn new ones. It enables one to meet interesting people, solve problems, learn more about the community and be part of the solution to improve our towns and neighborhoods.
