

2010 Education Interest Survey

This survey guarantees respondent confidentiality. SEICAA will not disclose or use the names of respondents for any purposes unless the respondent grants permission to do so. All data will be used in a form that will make it impossible to determine the identity of the individual responses. That is, the survey responses will not be integrated, analyzed, or reported in any way in which the confidentiality of the survey responses is not absolutely guaranteed. Failure to complete this survey will not impact service delivery.

SEICAA strives to continuously improve and strengthen programs. In order to assist SEICAA, please honestly answer the following questions and provide comments. Response is voluntary.
